

# Working with other schools to promote embedding of Isaac Physics and my involvement in events

Session 5: 22/02/2023

# Working with other schools

- Distributed draft copies of Isaac Physics Linking Concepts book to local schools
- Set up local support network for Southend area on Discord
- Presented at Teacher Symposium and supported colleagues during sessions
- Promotion of use of Isaac Physics through Physics With Keith YouTube channel and online live tuition
- Regular promotion of Isaac Physics resources and events on social media channels (Facebook, Instagram, Twitter, Discord, YouTube)
- Wrote a few resources for Isaac Physics over the years, and used to support the student Boot Camps
