Embedding Isaac in your SOW

Embedding session

<https://isaacphysics.org/>

1. Use your **electronic scheme of work** or download one from your exam board.
2. Use the **Specification Tables** to find the right gameboards for your exam board
- 3. Paste the urls** into your SOW
4. You can always **modify** these for your classes later
5. You can set the assignments ahead of time using **assignment scheduling**
6. Then try embedding our **quizzes** (GCSE) and **tests** for KS3,4 &5
7. You can embed lessons, homework, practicals and tests for **KS3**
8. Use our concept lesson links to set **cover work**
- 9. All set** for September!
- 10. Enjoy your summer holiday!**
