

Working with other schools to promote embedding of Isaac Physics and my involvement in events

Session 5: 2026-03-25

Working with other schools

- Distributed draft copies of Isaac Physics Linking Concepts book to local schools
- Presented at Teacher Symposium and supported colleagues during sessions
- Promotion of use of Isaac Physics through Physics With Keith YouTube channel and online live tuition
- Regular promotion of Isaac Physics resources and events on social media channels (Facebook, Instagram, Twitter, Discord, YouTube)
- Wrote a few resources for Isaac Physics over the years, and used to support the student Boot Camps

Isaac Physics Teacher Symposium

Promotion of Isaac Physics

▼ Energy

▼ 1. Conservation and dissipation of energy

▶ Presentation

▶ Recorded lessons

▶ Quick Questions

▼ Homework

24 Work

25 Gravitational potential energy

34 Kinetic Energy

26 Power

33 Doing work, potential energy and power

27 Energy flow and efficiency

35 Efficiency

▶ 2. Energy transfers by heating

▶ 3. Energy resources

The next batch of free masterclasses by [Isaac Physics](https://isaacphysics.org) can now be booked from the Isaac Physics website: <https://isaacphysics.org/events>

**Virtual Masterclasses
for Students 2022**

FREE booking at: <https://isaacphysics.org/events> (book now!)

YEAR	TERM	
GROUP	Spring	Summer
Year 10	Sunday 13 March 2022; 10am-1.00pm	Saturday 21 May 2022; 10am-1.00pm
Year 11	Saturday 26 Feb 2022; 10am-1.00pm	Sunday 24 April 2022; 10am-1.00pm
Year 12*	Saturday 5 Feb 2022; 10am-2.15pm	Saturday 14 May 2022; 10am-2.15pm
Year 13	Saturday 5 Feb 2022; 10am-2.15pm	Saturday 7 May 2022; 10am-2.15pm

*Year 12 Masterclasses are free University Taster Days for Physical Natural Sciences with a university-style lecture and admissions talk
All masterclasses will be webinars with Q&A

Isaac Physics Resources

Isaac Physics Resources

The screenshot displays two overlapping video player windows from Isaac Physics. The background window is titled "C5 Potential Dividers" and shows a man speaking in front of a bookshelf. The foreground window is titled "Pre-Uni Physics Lesson: B1 & B2 Vectors" and shows the same man speaking. To the right of the foreground video, a large grid of handwritten physics equations is visible. The video player interface includes a progress bar at the bottom showing 1:04 / 36:30, and icons for play, volume, and settings. A "MORE VIDEOS" button is located in the bottom left of the foreground video frame. A "Copy link" button is visible in the top right of both video frames.

C5 Potential Dividers

Pre-Uni Physics Lesson: B1 & B2 Vectors

Handwritten Equations:

$$R_1 = \frac{V_1}{I_1}$$
$$R_2 = \frac{V_2}{I_2}$$
$$I_1 = I_2 = I$$
$$\frac{V_1}{V_2} = \frac{R_1}{R_2}$$

Video Player Interface:

- Progress: 1:04 / 36:30
- Buttons: Play, Volume, Settings, Full Screen
- Link: Copy link

Isaac Physics Bootcamps

Conclusions

- Isaac Physics is a community: get involved.
- Share Isaac Physics widely
- Everyone has something they can offer!
