Below the header, a left sidebar lists the navigation menu, including 'Chapter 0 Maths for Chemistry' and 'Chapter 1 Foundations', with 'A Atomic Structure' highlighted. The main content area is titled '1A Atomic Structure' and includes sections for 'Published' resources (Questions, Resources, Extension work), 'Questions' (1A1 Atomic Structure Practice and 1A2 Atomic Structure Challenge), and 'Resources' (Atomic Structure - Introduction and Atomic Structure - Going Beyond). Each resource entry includes an icon, title, and an 'Assign' button.
