

STEMSMART

An Initiative from the University of Cambridge

Are you studying **maths with at least one of physics, chemistry, biology, computer science or further maths?**

Considering applying for a **science, computer science or engineering** course at university?

STEM SMART is a **FREE** programme for first year sixth form students* from state schools, beginning in January 2027 through to May 2028.

STEM SMART includes weekly online tutorials with Cambridge University subject specialists, access to student mentors and lectures from top scientists.

*Year 12 in England & Wales, S5 in Scotland, Year 13 in Northern Ireland

To find out more, check your eligibility and apply, go to
www.cam.ac.uk/stemsmart

Apply by 31st October 2026
