# Teacher Symposium WhatsApp

**For easy comms over the Symposium,  
we have set up a specific WhatsApp  
in our Isaac WhatsApp Community.**

You can join by scanning this QR code  
using the WhatsApp camera.

# Symposium Aims – To...

1. Bring physics teachers together (from KS3 to University) to do physics together.
2. Showcase what Isaac has to offer teachers and students to complement and support their teaching and learning.
3. Provide time for teachers to integrate Isaac questions, assignments and resources in their schemes of work.
  - Leave the symposium with at least the first school term of homework scheduled and ready to go – if not the whole year!
